

Lieutenant Governor Garamendi's  
2007  
*Woman of the Year*

*Cindy Harrell Horn*

A dedicated advocate for improving education, public health, the environment and national security, Cindy Harrell Horn co-founded the Environmental Media Awards and was the recipient of the UCLA School of Public Health Dean's Award for her leadership in establishing the UCLA Laboratory, which enables a fast response to bio-terrorism and pandemics. She is a former member of Heal the Bay, The Coalition for Clean Air, TreePeople and Bay Keeper. Cindy is a mother of two daughters who cares about all the worlds' children and their future.
